#### THEIR STORY

**BRIDE** Danielle Viscuso, 27, a hair colorist at Marie Robinson Salon **GROOM** Elie Camoro, 37, a creative director and hairstylist at Frédéric Fekkai **HOW THEY MET** At work **WEDDING STYLE** In search of a design that felt “bright, happy, earthy and beautiful,” Danielle and Elie hung vibrant blooms from trees, giving their outdoor ceremony and tented reception a laid-back, bohemian vibe. —RS

“When you’re visiting Montauk after the busy season, you feel like you’re farther away than you actually are,” Danielle says of escaping from the city for their destination wedding. When it came time to say “I do,” the couple exchanged vows on the resort’s yoga deck in the middle of the woods.

"It was the best cake ever," Danielle says of their vanilla bean and lemon zest confection topped with fresh berries and buttercream. "I had our baker remake a mini version of it for Valentine's Day since we loved it so much."
